SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Python (Beginner level)
- Java
- C
- Front end and backend basics
- MongoDB
- MySQL
- Machine Learning
- Web Development

LANGUAGES

- English
- Tamil
- Hindi

SUMMARY

Passionate and results-driven M.Tech candidate in Computer Science and Engineering with a keen interest in Artificial Intelligence, Machine Learning, and Web Development. Enthusiastic about solving complex problems through innovative solutions and continuously expanding my technical expertise.

EDUCATION

Sri Ramakrishna Engineering College 2021 - 2026
M.Tech Computer Science and Engineering (Integrated 5 years)
GPA: 8.99/ 10

Vidya Vikasini Higher Secondary School 2021
HSC
Percentage: 93%

Vidya Vikasini Higher Secondary School 2019
SSLC
Percentage: 92%

INTERNSHIPS

Intellectual Property Rights Cell AUG 2024 - NOV 2024

Designed and developed a full-stack IPR Cell website for managing intellectual property records.(Sri Ramakrishna Engineering College)
Link: [IPR WEBSITE LINK-CLICK HERE](#)

Indian Institute Of Science (Banglore) JUNE 2024 - JULY 2024

Worked on developing and training machine learning models for data-driven analysis and prediction under the guidance of researchers at IISc.

Rampex Technologies DEC 2023 - JAN 2024

Worked on backend data processing using advanced Excel, including cleaning datasets and handling missing or inconsistent values.

PROJECTS

Ticketless entry system

MAY 2024

Developed an online tourism booking platform with peak-hour analysis using time-series forecasting algorithms to enhance visitor management.

Early Stage of Diabetics Prediction

MAY 2023

Developed a predictive model to identify early-stage diabetes using patient health data. Performed data preprocessing, feature selection, and trained machine learning algorithms such as logistic regression, decision trees, and random forest for accurate prediction.

ACHIEVEMENTS & HACKATHONS

Qualified for the Smart India Hackathon as a semi finalist at the collegeLevel. (SIH)

Qualified as a semifinalists for the ACM-WIndia Athenahacks (PSG collegeof Technology)

Fundamentals of Deep Learning (NVIDIA).

Business English Certificate (BEC) Preliminary

"Privacy and Security in Online SocialMedia" and "Foundations of Blockchain Technology"-NPTEL

ACKNOWLEDGEMENT

I hereby declare that all the information given above is true and correct to the best of my knowledge.
